Flexible Muffler®

The **FEAS Flexible Muffler** is factory-made and comes with a supply sleeve and a diffuser sleeve for easy installation. The diffuser sleeve features a 3-inch (75mm) crimped end to facilitate insertion into the diffuser. The supply sleeve has a 3-inch (75mm) flat section to make it easier to apply adhesive.

| Diameter | Flexible length | Total length | Vapor barrier type and net price | |
|------------|--------------------|--------------|----------------------------------|-------------------|
| 4" (102mm) | 30" (762mm) | 36" (914mm) | Aluminium | Polyéthylène gris |
| 5" (127mm) | 30" (762mm) | 36" (914mm) | Aluminium | Polyéthylène gris |
| 6" (152mm) | 30" (762mm) | 36" (914mm) | Aluminium | Polyéthylène gris |
| 8" (203mm) | 30" (762mm) | 36" (914mm) | Aluminium | Polyéthylène gris |
